Dear Mr. Armstrong:

Thank you for your kind invitation of 16 September 1977 to address the Colorado Business Seminar in Washington on 1 October 1977.

I regret that my schedule for that day is such that I will be unable to be with you. I have, however, made arrangements for a representative of the CIA to meet with your group to discuss "The CIA and The Intelligence Process." I understand that my Office of Legislative Counsel has been in touch with your staff to make the final arrangements.

Best regards to you and your guests participating in the Colorado Business Seminar.

Yours sincerely,

STANSFIELD TURNER

Admiral Stansfield Turner
Director of Central Intelligence
Central Intelligence Agency
Washington, D. C. 20505

Dear Admiral Turner:

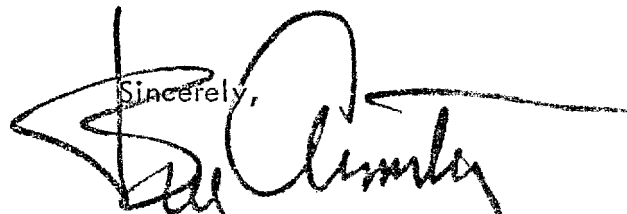

I am sponsoring the Colorado Business Seminar here in Washington on September 28th through October 2nd.

The Seminar attendees will be a wide cross section of the business and community leaders from the Fifth Congressional District of Colorado. The purpose of the sessions is to give these leaders a chance to have an inside view of how Congress and the Administration function. The group would be honored if you could be with them Saturday morning, October 1st, either at the CIA Headquarters in Langley or here on Capitol Hill. If your schedule would not permit that, we would be honored to have your representatives spend up to an hour and a half discussing the role of the CIA with this group.

I realize you are extremely busy but I would appreciate your consideration of this request.

Best regards.

Sincerely,

William L. Armstrong
